

## **Adherence to Evidence Based Medicines Consultation Event held at the Beaumont Centre on Thursday 15 June 2017**

**Event Introduction:** As only 1 member of the public attended, this session became an informal session where Dr J Mahmoodi outlined what the CCG was consulting on. The individual had no comments to make.

**Note:** Gemma Twitchen from Action on hearing loss did attend, but decided not to remain as she had seen the presentation and would send any further comments directly to Mark Eaton.
